## --FROM THE COMMODORE--

September already? Geez, the season is flying by us in hyperdrive which is quite usual if you have a good time. September saw the Pig Roast under Hurricane watch, but the weather surprised us and we had a good time. Unfortunately, the Renshaw was delayed to Sunday Oct 7 due to high and unpredictable winds that Saturday. Schleper's Chicken was to die for as usual. The Whale down at CSA was a great event, I am sorry I missed it, but sometimes business has to come first. After all, it pays for our hobby.

We will have a super busy October 6 weekend coming up. Saturday is the BYC Commodore Cup and then the world famous Chili Cook-off, free slips to all the folks who will come and visit us for the race and/or party. Big thanks to Dennis to allow this to happen for all our events. We certainly have enough water in the lake for every boat to enter the Marina (which is deep enough anyhow, even at low "tide"). Sunday morning is the election and then right after that we will have the Renshaw Race. A low stress, Hound and Hare medium distance race. Sign up on the webpage or bring ample cash for our Treasurer :-)

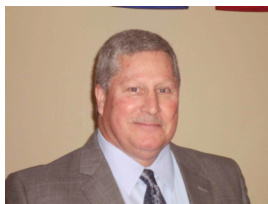

Temps are real nice, plenty of good wind, tons of friends, what's not to like?

Cu on the water,

Thorsten Schaette, Commodore BYC

### -----THE SOCIAL CHAIR -----

When you are a rugged experienced sailor the weather can take you down. On dry land with a big smoked hog and big juicy hams, the sailors and friends just didn't make the roast. We had a few brave BYCers. It was about 50 attendees. Those few were hungry and so much FUN. We were our own entertainment. If you want to know what happened, do not ask me I do not remember. Wonder why??? Cindy found Jeff a professional hog smoker man and very nice. Jeff brought his own hog his own smoker his own meat chopper upper guy. All we had to do was serving and eat. Everyone I talked to later said that the hog really tasted good. So good that we sold the left over pulled pork so fast I thought that piggy grew legs and ran into the buyers arms. Bottom line we donated \$500.00 to the half way house for the mentally challenged in Carlyle. Thanks to all who brought dishes and helped to serve. Our never fail workers who pitch in to clean our clubhouse and marina no matter how tired or late. THANK YOU SO MUCH

#### SCHLEPERS CHICKEN DINNER

We had great weather. We had Schleper's fryers cook'n. We had lots and lots of pot luck potato dishes. We had BYC races. When we come together on the hill with food, spirits and the Smiths, that means a party. Welcome Home Dennis and Petra. The party started out small and I guess the Schleper's reputation for their secret to cooking chicken caused more and more people to come. Most of this year's parties have been small but this one was the same as last year. That's what a reputation can do for you. Once again, thanks to all who helped serve and clean up and thanks to the Schleper's for all that fine chicken.

**----FROM THE RACE CHAIR ----**

Hello BYC!

The best of the sailing season has started! The water is at a perfect level, the wind is picking up, the temperatures are no longer 100 degrees and the bugs are slowly disappearing! Better yet, October 6 is our annual Commodore's Cup followed by the famous BYC chili cook-off! Then on Sunday October 7<sup>th</sup> we will be hosting the Renshaw Regatta. Two great days of perfect racing and sailing conditions along with some amazing chili! Flags will be given out Saturday night for the Commodore's Cup and Sunday afternoon for the Renshaw Regatta. A chance to get two flags in one weekend!!! Make sure you sign up ahead of time. You can sign up using the BYC paypal page. If you have any questions please email myself or your Commodore, Thorsten. It should be a great weekend!

Also this month is the annual Great Race. This race is hosted by CYC on October 27 and there is usually plenty of wind to get you around the lake in no time! It is the last race of the year before we have to start thinking about winterizing and pulling boats so be sure to get your sailing in while you can! This will be a busy month for BYC. Don't forget your sweatshirt!  
see you on the water,

See you on the water!
