Bits and Pieces: Some noteworthy; none newsworthy.

FROM THE COMMODORE

Ahoy fellow BYCians.

Our season seems to be well underway. From my vantage point it looks like it is going to be another fun filled sailing year for BYC. Karen and I want to issue a note of thanks to all who helped with and participated in the first BYC Prom. It appeared that a good time was had by all and many of our reveler's were feeling no pain, at least not that evening. Maryanne, we wish you a speedy recovery and hope you are mending well. Con-

gratulations to our Prom King and Queen, Rey Neville and Barb Gates. What a swell looking pair of Royals.

I am looking forward to our Flag Day Fest on

The King and Queen

June 14. I hope everyone will sign up and join in the fun.

I would like to start a new project for BYC this year. Many of our members have proudly presented BYC burgees to other yacht clubs around the country and the world. These members have returned with burgees from the clubs they have visited. I would like to announce a Burgee Exchange and Display Program at BYC. I propose that we adorn our club lounge with burgees our members have collected. If any of you have burgees you would like to contribute to the display please get them to me. Likewise if anyone has an idea for how to display the burgees, I am open to suggestions. As part of our Burgee Exchange

Project, the Vice Commodore will issue a BYC burgee to any member who will be visiting another club and is willing to invite that club to participate in an exchange. In the interests of club courtesy and economics we should limit the exchange to one burgee per club. The Commodore will maintain a listing of burgees we have acquired. I think if we are all cognizant of opportunities we can gather quite a collection.

Fair winds, a willing soul, and sea room.

FROM THE VICE COMMODORE

Prom: cool success. Although it's not clear what a prom has to do with a yacht club, it was such a blast that it could turn out to be an annual event. Kudos to Allan and Karen for a fun and memorable time. For the unfortunate among you who were not able to attend, you can have a glimpse of the "beautiful couples" and some of the frivolity by clicking on Photo Album on the website (www.boulderyc.org) and then clicking BYC Prom: Couples and Goings on.

Party attire. Our next BYC event is the Show Your Colors party hosted by Pam and Randy Wheeler. Need something blue? Need something white? We may have just what you require in tee shirts, polos, hats and jackets. Just give me a call and I will reserve your choice.

HALF-A-DECADE SALE

To make acquiring your BYC apparel more enticing, for a limited time we will be running the first sale of our merchandise since I can remember. Help us move some merchandise and make room for new products. Items offered for sale are:

FROM THE RACE CHAIR

Hello racers,

Wow, what a way to start the season! Although race one was cancelled, races two and three went off with a bang!!!

First I have to thank Bill & Jane Hendy and Barb Weber for their great team work on the committee boat; we started on time and both races proceeded without a flaw. Second, we must thank the wind Gods for their steady 10 to 20 knots. And finally, thanks to you, the racers. It was a fabulous race as I watched it from the committee boat.

I would like to say good job to our rookies, Bruce & Janet Cowin. Bruce told me he didn't know his boat went that fast. Keep up the good work.

It was definitely a *Trouble Doll* day as the C&C 34 was out front in the first leg and stayed out there. *October Breeze* and *Desperado* battled for the second and third positions. *Tiburón* was working the number four position and not giving it up. *Brigadoon* raced in fifth. These are positions crossing the line, not the final results. Hats off to all of you for an exciting race.

The only other race we've had was the Leukemia Cup Regatta and wow, what a great weekend. Thank you BYC for your support. As a group we

have shown what a powerful force we can be in the fight to stop this disease. As for you racers in the regatta, I want thank you for support. And to Bonnie & Pam for all the time they put in to this event .

Ladies: The Ladies Race is coming soon, so get your crews ready. The last couple of years the ladies have been doing so well in this race, which makes it lots of fun. So far, we have only 2 boats entered that I know of. So comes on ladies, let's get out there and play and have some fun. Ladies, please send me your entries as soon as possible.

A QUESTION:

Is it the same urge that makes men chase women they have no intention of marrying also that which makes sailboat racers spend huge sums of money and time in their effort to win pickle dishes they have no intention of putting pickles in?

KEEPING LAKE CARLYLE'S WATERS PRISTINE

According to scientific studies, the amount of bacteria in untreated waste that one boat can discharge exceeds the amount contained in a small city's worth of treated wastewater! Raw sewage from a boat is more concentrated and biologically active than sewage from treatment facilities. (Stealth dischargers are you listening?)

THE SOCIAL SCENE

The BYC Leukemia Cup fundraiser was a great success. We missed our friends from the southern parts of the lake, but despite that, we bested our efforts for this worthy cause. The BYC Logo will be placed on top of the Leukemia Cup Banner thank to the HUGE effort of our Members. Bob Bender will surely make a note of the totals. Pam, Randy Wheeler, Marianne and Jim Moore were busy all day preparing the awesome pig roast. Food was a plenty and everybody was stuffed. The weather was at its best, those boats that made it out to the POKER RUN had a great time sailing and finding all the volunteers on the water. Again too many helpers to give a mention for their outstanding help. But that's the BYC difference—makes you proud to be a member, indeed. All the money raised by the poker run and wonderful meal goes directly to the Leukemia foundation and will be presented on behalf of BYC.

During the whole weekend some of you could get a taste of Lisa Howard's tireless hands. This girl is awesome! Her deep tissue massages are the best! And all the money she raised will also go to the Leukemia foundation. Single-handedly (actually she used both hands, of course) she managed to massage \$750.00 as her donation to the Leukemia Cup. And yes for the first time in my life I won something, it was worth the wait, as the total for the winning poker hand was \$252.00. THANKS

Our hosts, or Revenge ON the Nerds

We had our first BYC Prom on May 10th, hosted by our commodore Allen Stewart and his wife Karen. Everybody came dressed in his or her prom outfits.

Tres Debonaire

The burgers were absolutely delicious and the party was a blast.

Pam and Randy Wheeler will host "Flag Day", our next party scheduled for June 14th.

FLAG DAY PARTY

Our June party is scheduled for June 14-Flag Day. What a perfect day for a celebration! Join us as we honor Old Glory by proudly displaying our best red, white and blue. We have planned a full evening of fun and entertainment and, of course, food and drink.

Our menu will start the night off in perfect red, white, and blue style. Beginning at 6:00 PM we will serve:

Beef Burgundy
Mashed Red Potato Casserole
Blue Lake Green Beans
Red, White and Blue Salad
Red Lobster Biscuits
Cherry and Blueberry Tortes

After our meal, we will have flag trivia to test your knowledge of our great flag. Get your team together, plan your strategy, but please, no more than eight to a team.

We will also award a prize to the woman and man best exemplifying our theme, "Show Your Colors." Now's your chance to make the prestigious best-dressed list. Wear your colors with pride!

The evening will also offer a very special treat. BYC is privileged to bring you the Lake Carlyle debut of "The Honey Do's." From 8:00 - 10:00, they will bring you many great selections for your listening and dancing pleasure. The group will have a lot of fun songs from the 50's and 60's along with more current music. And of course, no good group could omit Jimmy Buffet from their play list!

We have planned a great celebration of our county's flag and offer a lot of fun for all BYC members. Please RSVP to Bob Bender before June 7. The cost is \$10 per person by the deadline. Late reservations will be accepted at the cost of \$13 per person as long as food is available. See the attached flyer for your RSVP slip.

Join us on Flag Day, June 14 and "Show Your Colors."

THE BLUE BOX RETURNS

We are happy to report the return of the mysterious *Blue Box* (see Page 2). Where does it come from? Where did it go last month? Where does it go when it's not here? Is it an indecipherable message from an alien intelligence? Has the devil taken over this computer? Nobody knows.

Will it be back next month? We're not sure. But be sure to join us next issue for further mysteries of the *Blue Box*.
