## Activity in Aug. & Sept. reaches fever pitch at BYC

BOULDER, IL — In case you haven't seen it, check out the NEW Boulder Galley. It is/will be fabulous; thanks to our many talented volunteers! Read the delicious details in the Commodore's article.

Don't forget nominations for officers and board members for the next sailing year will be held on Sunday, August 26 at 9:30 A.M. in the marina lounge.

The fall racing season starts August 25. More racing follows on Saturday and Sunday, Sept. 1 and 2, with the *Renshaw Regatta* — two days of exciting racing. The fall series continues on Sunday, Sept. 9 (race 2) and Saturday, Sept. 22 — a double header with races 3 and 4.

There are great social events coming up starting with *Chaos on the Hill*, the potluck party hosted by the Regatta Chairman on the evening of the first day of the *Renshaw Regatta* — Sat. Sept. 1. And a new twist this year — everyone is to bring the most useless/unknown/unusual article you keep on your boat, if you dare. Of course, hilarious explanations will clarify all. See details in the *BYC RACING* section and the attached flyer.

A dining extravaganza follows on Sept. 15 with the *Fall Harvest Party*. Carmen and Steve with Kay and Gary Vogel are hosting this celebration of the bounty of the good earth. Reservations required by Sept. 6. Details are found in the *SOCIAL SCENE* section and the attached flyer.

Following many weeks of planning and an extensive search for cabinets, the perfect commercial sink and countless other items, construction began on Saturday, July 28th. The weekend of August 10-12 will mark the third, highly organized assault upon this project. By the time you read this column, I hope to have Boulder Galley very near completion.

## FROM THE VICE COMMODORE

Wow! The summer is disappearing very quickly! I've taken inventory of what we have left in the Ship's Store and was amazed at how much we have sold. I'm really tickled everyone seems to like the apparel I've chosen. It's difficult sometimes to figure out what people would like to have. Guess maybe I've made some good choices and I'm always happy to help you with any special orders.

Just to let you know about a few new things we will have soon. I've ordered some T-Shirts in the color natural, still only \$9. We will also have the polo shirts in heather grey and natural, still only \$18.

I'm also stocking up on the jackets and sweatshirts. I know you'll be asking for them once we are all standing around the ceremonial fire cauldron trying to keep warm. It is hard to imagine that right now with the soaring temperatures. But cooler times are coming.

Smooth sailing from your trusty Apparel Assistant,

## BYC RACING

The summer in full swing, the heat, the light winds, more heat and did I mention humidity...well at least its not a dry heat. What does all this mean? Well it means that it's still hot outside but its time to start thinking about the fall racing season. And that means cooler breezes, friendly competition and great fun are right around the corner. Our first race of the fall series is on Saturday, August 25. The skippers' meeting is at 9:00 a.m. with racing starting at 10:30 (yeah right!).

Don't forget the Renshaw Regatta on the following weekend. Does anyone remember who won that event last year???? Following the Saturday (September 1st) Renshaw Race, the Race Group will host the "Chaos on the Hill" party, a pot luck get-together for everyone. If I told you the time and place and what to bring it wouldn't be chaos now would it? Ok, I'll provide a clue... its starts about 6:00 and the grills are going by 6:30.

Just to refresh your calendars:

Saturday, August 25th ..... Fall Race #1  
 Saturday, September 1st ..... Renshaw Regatta  
 Sunday, September 2nd ..... Renshaw Regatta  
 Sunday, September 9th ..... Fall Race #2
