Ahoy Mates!

Our racing schedule is approaching the seasons end. This year has been quite challenging weather wise, either very little wind or too stormy and rainy. The extreme heat this summer didn't help generate much enthusiasm either. Nevertheless we managed to complete four races so for this season.

BYC has one major race left. The BYC Commodores Cup is on Oct 7th. It's lake a wide race followed by the chili cookoff. Let's see if we can put an exclamation mark to the end of the race season with a large turn out of racers.

CYC is having their end of season Great Race Oct 28th. It's an all invited lake wide race.

The Notice of Race for these races will be posted on our Facebook page and bulletin board at the marina as well as racing results.

I want to thank all those who participated in and helped make this race season possible!

Winter is on it's Way, Schedule your Haul-Out

Hey Boulder Babes!!

That cooler weather is quickly approaching.

It's time to think about what you need for Winter haul outs. Scheduling ahead, soon, is the best way to get the day and time that works best for you.

A little reminder that we require ***at least a one week notice*** for your haul out and ***the last possible date for a haul out is November 30th.***

Your haul out time is the time that the lift is backing into the water so we also ask that you be here at least 1/2 hour early to get your vessel ready and meet us at the lift on time.

See the office, or contact **Shanna 573-705-8127**, to get on schedule.

Thanks!
Shanna

Charlie Brown submitted this vintage photo of his Mom and her brothers X Boat one design on Clear Lake, IA. The 16' [X Boat](#), also called the 'Cub', is an American sailing dinghy that was designed by John O. Johnson as a one-design racer and first built in 1932. This photo was taken at regatta sometime in the '30s. Their boat is the one in the foreground with the striped deck. There are still active X Boat fleets. (Note the large gallery on shore).
